Licensed Software and/or Subscription Services; or (iii) in accordance with Section 5(c)(iii) (any such suspension described in Subsection (i), (ii), or (iii), a **"Service Suspension"**). Provider shall use commercially reasonable efforts to provide written notice of any Service Suspension to Customer and to provide updates regarding resumption of access to the Licensed Software and/or Subscription Services (as applicable) following any Service Suspension. Provider shall use commercially reasonable efforts to resume providing access to the Licensed Software and/or Subscription Services (as applicable) as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Provider will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any Authorized User may incur as a result of a Service Suspension.

(i) Use of Non-Identifiable Aggregated Data. Provider has the right to collect and use anonymized generic information derived from Customer Data (not to include Personal Data) processed by the Licensed Software and/or Services or to aggregate it with anonymized generic information from other customers ("Non-Identifiable Aggregated Data") for Provider's reasonable business purposes, including without limitation for analyzing customer needs and improving the Licensed Software and Subscription Services. Customer may request changes or additions to the Professional Services being provided hereunder by making a written request to the Provider. If the Provider deems the changes feasible, Provider will provide a quote for any increase or decrease in the cost or time required for the performance of the Professional Services, as amended. Once the parties agree to the modified scope and related Professional Services Fees, the parties will enter into an Order and/or Statement of Work reflecting the changes. Provider shall not be obligated to perform any revised or additional Professional Services unless and until an Order and/or Statement of Work is executed by both parties.

(e) Taxes. All Fees and other amounts payable by Customer under this Agreement are exclusive of taxes and similar assessments. Customer is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Customer hereunder, other than any taxes imposed on Provider's income.

(f) Auditing Rights and Required Records. Customer agrees to maintain complete and accurate records of Customer's use during the Term of this Agreement and for a period of one year after the termination or expiration of this Agreement with respect to matters necessary for accurately determining amounts due hereunder. Provider may, at its own expense, on reasonable prior notice, annually inspect and audit Customer's records with respect to matters covered by this Agreement, provided that if such inspection and audit reveal that Customer has underpaid Provider with respect to any amounts due and payable during the License Term or Subscription Term, Customer shall promptly pay the amounts necessary to rectify such underpayment, together with interest in accordance with Section 6. Customer shall pay for the costs of the audit if the audit determines that the Customer's underpayment equals or exceeds ten percent (10%) for any year. Such inspection and auditing rights will extend throughout the Term of this Agreement and for a period of one year after the termination or expiration of this Agreement.

7. CONFIDENTIAL INFORMATION AND PERSONAL DATA.

(a) Protection of Confidential Information. With respect to any Confidential Information disclosed under this Agreement by the disclosing Party, the receiving Party will treat such Confidential Information as confidential and will handle it using at least the same procedures and degree of care which it uses to prevent the misuse and disclosure of its own confidential information of like importance, but in no event less than reasonable care. The receiving Party shall not disclose the disclosing Party's Confidential Information to any person or entity, except to the receiving Party's employees who have a need to know the Confidential Information for the receiving Party to exercise its rights or perform its obligations hereunder and subject to confidentiality and nonuse obligations at least as protective of the disclosing Party as those set forth in this Agreement (in which case the receiving Party will remain responsible for any noncompliance by such employees or other individuals or entities). Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (i) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (ii) to establish a Party's rights under this Agreement, including to make required court filings. On the expiration or termination of this Agreement, the receiving Party shall promptly return to the disclosing Party all copies, whether in written, electronic, or other form or

media, of the disclosing Party's Confidential Information, or destroy all such copies and certify in writing to the disclosing Party that such Confidential Information has been destroyed. Each Party's obligations of non-disclosure with regard to Confidential Information are effective as of the Effective Date and will expire five years from the date first disclosed to the receiving Party; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

(b) **Protection of Customer Data.** Without limiting the foregoing and subject to the provisions of Schedule 1 in relation to Personal Data, to the extent Provider is in possession of Customer Data, Provider will use commercially reasonable efforts to protect Customer Data through use of administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer Data consistent with prevailing industry practices. Provider will not (i) modify Customer Data, (ii) disclose Customer Data except as compelled by law in accordance with Section 7(a) or as expressly permitted in writing by Customer or otherwise under this Agreement, or (iii) access Customer Data except to provide the Services under or in connection with the prevention of or to address service or technical problems, improve the functionality of Services, to generate Non-Identifiable Aggregated Data, or at Customer request in connection with customer support matters.

(c) **Personal Data.** To the extent Customer is Controller and Provider is Processor (as those terms are defined in Schedule 1 ("DPA")) the provisions of the DPA (which is hereby incorporated into this Agreement) shall govern the Parties' respective rights and obligations relating to Personal Data.

8. INTELLECTUAL PROPERTY OWNERSHIP; FEEDBACK.

(a) **Provider IP.** Customer acknowledges that, as between Customer and Provider, Provider owns all right, title, and interest, including all intellectual property rights, in and to the Provider IP, Non-Identifiable Aggregated Data and Provider's Confidential Information. For purposes of this Agreement, all Provider IP shall be deemed to be Confidential Information of Provider. Provider shall be the owner of any and all right, title, and interest (including without limitation, all Provider IP) in, of and to any Derivative Works.

(b) **Customer Data.** Provider acknowledges that, as between Provider and Customer, Customer owns all right, title, and interest, including all intellectual property rights, in and to the Customer Data and Customer's Confidential Information. Customer hereby grants to Provider a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data as may be necessary for Provider to provide the Services to Customer, and a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to reproduce, distribute, modify, and otherwise use and display Customer Data incorporated within the Non-Identifiable Aggregated Data for any purpose, including benchmarking.

(c) **Feedback.** If Customer, its Authorized Users, or any of its other employees or Contractors sends or transmits any communications or materials to Provider by mail, email, telephone, or otherwise, suggesting or recommending changes to the Provider IP, including without limitation, new features, corrections, modifications or functionality relating thereto, or any comments, questions, suggestions, or the like (collectively, "**Feedback**"), Provider is free to use such Feedback irrespective of any other obligation or limitation between the Parties governing such Feedback. Customer hereby assigns to Provider, on Customer's behalf, and on behalf of its Authorized Users and its other employees, Contractors and/or agents, all right, title, and interest in, and Provider is free to use, without any attribution or compensation to any party, any ideas, know-how, concepts, techniques, or other intellectual property rights contained in the Feedback, for any purpose whatsoever, although Provider is not required to use any Feedback.

(d) **Further Assurances.** To the extent any of the rights, title, and interest in and to Feedback or intellectual property rights therein cannot be assigned by Customer to Provider, Customer hereby grants to Provider an exclusive, royalty-free, transferable, irrevocable, worldwide, fully paid-up license (with rights to sublicense through multiple tiers of sublicensees) to fully use, practice and exploit those non-assignable rights, title, and interest. If the foregoing assignment and license are not

enforceable, Customer agrees to waive and never assert against Provider those non-assignable and non-licensable rights, title, and interest. Customer agrees to execute any documents or take any actions as may reasonably be necessary, or as Provider may reasonably request, to perfect ownership of the Feedback. If Customer is unable or unwilling to execute any such document or take any such action, Provider may execute such document and take such action on Customer's behalf as Customer's agent and attorney-in-fact. The foregoing appointment is deemed a power coupled with an interest and is irrevocable.

(e) Customer Trademark License. Customer hereby grants to Provider a non-exclusive, worldwide, non-transferable, royalty-free license to use, reproduce and display Customer's name, logo and trademarks (collectively, the "**Customer Marks**") as necessary for Provider to fulfill its obligations under this Agreement. Provider will comply with Customer's trademark usage guidelines as Customer provides to Provider in writing from time to time.

9. WARRANTY; DISCLAIMER.

(a) Limited Performance Warranty.

i. Licensed Software. Provider warrants to Customer that during the Warranty Period of ninety (90) days after its initial delivery, the Licensed Software shall operate substantially in accordance with the Documentation. Customer's exclusive remedy for a breach of the foregoing shall be for Provider to use commercially reasonable efforts to either correct any verifiable material non-conformity or to replace the materially non-conforming Licensed Software; provided, however, if Provider cannot provide either remedy, upon receipt of the materially non-conforming Licensed Software, Provider shall refund Customer the License Fee paid to Provider for same. Customer's remedy is conditional on Customer providing Provider with written notice that includes a reasonably detailed explanation of the Defect within the Warranty Period. **THE FOREGOING SETS FORTH THE PROVIDER'S SOLE AND EXCLUSIVE REMEDY FOR ANY DEFECTIVE LICENSED SOFTWARE**

ii. Subscription Services. Provider warrants to Customer that during any Subscription Term, the Subscription Services will perform substantially in accordance with the Documentation. Customer's exclusive remedy for a breach of the foregoing shall be for Provider to use commercially reasonable efforts to either correct any verifiable Errors; provided, in the event Provider is unable to correct that non-conformity, Customer shall have the right to terminate the remaining Subscription Term and receive a pro-rata refund of any remaining pre-paid Subscription Fees paid to Provider for those defective Services. Customer's remedy is conditional on Customer providing Provider with written notice that includes a reasonably detailed explanation of the Defect within the Subscription Term. **THE FOREGOING SETS FORTH THE PROVIDER'S SOLE AND EXCLUSIVE REMEDY FOR ANY DEFECTIVE SUBSCRIPTION SERVICES.**

iii. Professional Services. (b) Customer agrees that its purchases hereunder are neither contingent on the delivery of any future functionality or features nor dependent on any oral or written public comments made by Provider regarding any future functionality or features.

(c) Disclaimer. EXCEPT FOR THE WARRANTIES SET FORTH IN THIS SECTION 9, THE LICENSED SOFTWARE, SUBSCRIPTION SERVICES, PROVIDER IP, PROFESSIONAL SERVICES AND SUPPORT SERVICES ARE PROVIDED "AS IS". CUSTOMER'S USE OF THE LICENSED SOFTWARE, SUBSCRIPTION SERVICES, PROVIDER IP, PROFESSIONAL SERVICES, AND SUPPORT SERVICES IS AT ITS

OWN RISK. PROVIDER DOES NOT MAKE, AND PROVIDER HEREBY DISCLAIMS, ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. PROVIDER SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, QUALITY, SUITABILITY, OPERABILITY, CONDITION, SYSTEM INTEGRATION, NON-INTERFERENCE, WORKMANSHIP, TRUTH, ACCURACY (OF DATA OR ANY OTHER INFORMATION OR CONTENT), ABSENCE OF DEFECTS, WHETHER LATENT OR PATENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. THE EXPRESS WARRANTIES MADE BY PROVIDER IN SECTION 9 ARE FOR THE BENEFIT OF THE CUSTOMER ONLY AND NOT FOR THE BENEFIT OF ANY THIRD PARTY. TO THE EXTENT APPLICABLE, REVALIZE DOES NOT WARRANT THAT THE OPERATION OF THE WEBSITE PROJECT AND SERVICES WILL BE COMPLIANT WITH THE ADA. CUSTOMER ASSUMES FULL RESPONSIBILITY FOR ADA COMPLIANCE OF THE WEBSITE PROJECT AND SERVICES. THE TERMS OF THIS SECTION SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

(d) NO AGENT OF PROVIDER IS AUTHORIZED TO ALTER OR EXPAND THE WARRANTIES OF PROVIDER AS SET FORTH HEREIN. PROVIDER DOES NOT WARRANT THAT: (I) THE USE OF THE LICENSED SOFTWARE, SUBSCRIPTION SERVICES, PROVIDER IP, OR PROFESSIONAL SERVICES WILL BE SECURE, TIMELY, UNINTERRUPTED OR ERROR-FREE OR OPERATE IN COMBINATION WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEM OR DATA; (II) THE LICENSED SOFTWARE, SUBSCRIPTION SERVICES, PROVIDER IP, PROFESSIONAL SERVICES OR SUPPORT SERVICES WILL MEET CUSTOMER'S REQUIREMENTS OR EXPECTATIONS; OR (III) LICENSED SOFTWARE, SUBSCRIPTION SERVICES, THE PROVIDER IP OR PROFESSIONAL SERVICES WILL BE ERROR-FREE OR THAT ERRORS OR DEFECTS IN THE PROVIDER IP WILL BE CORRECTED.

10. INDEMNIFICATION.

(a) Provider Indemnification.

- i. Provider shall indemnify, defend, and hold harmless Customer, Customer's officers, directors, employees and agents (each, a "**Customer Indemnitee**") from and against direct damages ordered by a court of competent jurisdiction to the extent they result from any claim, suit, action, or proceeding by a third party that Customer's use of the Licensed Software or Subscription Services in accordance with this Agreement, infringes or misappropriates such third party's copyright, patent or trade secret rights in the United Kingdom, on the conditions that Customer promptly notifies Provider in writing of the claim, cooperates with Provider, and allows Provider sole authority to control the defense and settlement of such claim. Nothing in this clause 10 shall restrict or limit the Customer's general obligation at law to mitigate any loss it suffers or incurs as a result of an event that might give rise to a claim under this indemnity.
- ii. If such a claim is made or appears possible, Customer agrees to permit Provider, at Provider's sole discretion, to (A) modify or replace the Licensed Software or Subscription Services (as applicable), or component or part thereof, to make it non-infringing, or (B) obtain the right for Customer to continue use. If Provider determines that neither alternative is reasonably available, Provider may terminate this Agreement, in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer.
- iii. This Section 10 will not apply to the extent that the alleged infringement arises from: (A) use of the Services in combination with any data, software, hardware, equipment, network, system, or technology not provided by Provider or authorized by Provider in writing; (B) modifications or alterations to the Licensed Software or Subscription Services (as applicable) not made by Provider; (C) Customer's continued use of the

Licensed Software or Subscription Services (as applicable) after Provider notifies Customer to discontinue use because of an infringement claim; or (D) Customer Data.

iv. THE FOREGOING STATES THE ENTIRE LIABILITY OF PROVIDER WITH RESPECT TO THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY OR PROPRIETARY RIGHTS BY THE LICENSED SOFTWARE, SUBSCRIPTION SERVICES OR OTHERWISE, AND CUSTOMER HEREBY EXPRESSLY WAIVES ANY OTHER LIABILITIES OR OBLIGATIONS OF PROVIDER WITH RESPECT THERETO.

(b) Customer Indemnification. Customer shall indemnify, hold harmless, and, at Provider's option, defend Provider, Provider's officers, directors, employees and agents (each, a "Provider **Indemnitee**") from and against all claims, losses, expenses, costs (including legal fees), damages, losses arising from any breach by Customer or any User of Sections 2, 4, 13(i) or Schedule 1.

(c) Indemnification Procedures. Each party's indemnification obligations in this Section 10 are subject in each instance to the indemnified party: (i) promptly notifying the indemnifying party in writing of the threat or notice of the claim; (ii) giving the indemnifying party sole and exclusive control and authority to select defense attorneys, defend, and/or settle any such claim (however, the indemnifying party shall not settle or compromise any claim that results in liability or admission of any liability without the indemnified party's prior written consent); and (iii) the indemnified party fully cooperating with the indemnifying party in connection with the defense or settlement of any claim.

11. LIMITATIONS OF LIABILITY.

(a) Except as expressly provided in this agreement and to the fullest extent permitted by applicable law: (i) the Customer shall be solely responsible, as against the Provider, for any opinions, recommendations, forecasts or other conclusions made or actions taken by the Customer, any client of the Customer or any other third party based (wholly or in part) on the results obtained from the use of the Services by the Customer; (ii) the Provider shall have no liability for any damage caused by errors or omissions in any information or instructions provided to the Provider by the Customer in connection with the Services; and (iii) all warranties, representations, conditions and all other terms of any kind whatsoever implied by statute or common law are excluded from this agreement.

(b) Neither party excludes or limits liability to the other party for: (i) fraud or fraudulent misrepresentation; (ii) death or personal injury caused by negligence; (iii) a breach of any obligations implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982; or (iv) any matter for which it would be unlawful for the parties to exclude liability.

(c) Subject to clause 11(b), the Provider shall not in any circumstances be liable whether in contract, tort (including for negligence and breach of statutory duty howsoever arising), misrepresentation (whether innocent or negligent), restitution or otherwise, for:

- (a) any loss (whether direct or indirect) of profits, business, business opportunities, revenue, turnover, reputation or goodwill;
- (b) any loss or corruption (whether direct or indirect) of data or information;
- (c) loss (whether direct or indirect) of anticipated savings or wasted expenditure (including management time); or
- (d) any loss or liability (whether direct or indirect) under or in relation to any other contract.

(d) Clause 11(c) shall not prevent claims, which fall within the scope of clause 11(e), for: direct financial loss that are not excluded under any of the categories set out in clause 1.1(a)(i) to clause 11(c)(iv); or tangible property or physical damage.

(e) Subject to clause 11(b), the Provider's total aggregate liability in contract (including in respect of the indemnity at **Error! Bookmark not defined.**10), tort (including negligence and breach of

statutory duty howsoever arising), misrepresentation (whether innocent or negligent), restitution or otherwise, arising in connection with the performance or contemplated performance of this Agreement or any collateral contract shall be limited to the price paid for the Services during the 12 months preceding the date on which the claim arose or, if the claim arose during any period before 12 months had elapsed from the Effective Date, during that shorter period.

(f) The parties acknowledge and agree that any dates quoted for delivery of Services are approximate only, and that the time of delivery is not of the essence. The Provider shall not be liable for any delay in delivery of the Services that is caused by an event, circumstance or cause within the scope of **Error! Bookmark not defined.**13(c) or the Customer's failure to provide the Provider with adequate delivery instructions.

12. TERM AND TERMINATION.

(a) Initial Term and Renewal. The initial Term of each License or Subscription shall be twelve (12) months from the Effective Date, unless otherwise stated on the applicable Order Form ("Initial Term"). At the end of the Initial Term, the License or Subscription shall automatically renew for periods (each a "Renewal Term") equal to the initial Term, unless either Customer or Provider has served written notice on the other not less than thirty (30) days prior to the end of the then-current Term. Unless otherwise provided for in any Order, Provider has the right to automatically increase the Fees applicable to Customer's License or Subscription for any such Renewal Term at Provider's then-current rates. If Provider determines, in its reasonable discretion, that material product or feature enhancements to the Licensed Software or Services require an increase in Fees for a Renewal Term, Provider will first obtain Customer's prior written consent before applying such increase before such Renewal Term.

(b) Termination. In addition to any other express termination right set forth in this Agreement:

- i. Provider may terminate this Agreement, effective on written notice to Customer, if Customer: (A) fails to pay any amount when due hereunder, and such failure continues more than thirty (30) days after Provider's delivery of written notice thereof; or (B) breaches any of its obligations under Section 2(b) or Section 6;
- ii. either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such breach;
- iii. either Party may terminate this Agreement, effective immediately upon written notice to the other Party, if the other Party: (A) files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (B) makes or seeks to make a general assignment for the benefit of its creditors; or (C) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business; or

(c) Effect of Expiration or Termination. Unless the Parties agree otherwise, termination of this Agreement will terminate each of the Order Forms and other Service Addenda, even if the Order Form or other Service Addenda specifies an expiration date after the effective termination date of this Agreement. No expiration or termination will affect Customer's obligation to pay all Fees that may have become due before such expiration or termination, or entitle Customer to any refund except as expressly provided herein. Upon expiration or earlier termination of this Agreement, Customer shall immediately discontinue use of the Provider IP and, without limiting Customer's obligations under Section 6, Customer shall delete, destroy, or return all copies of the Provider IP and certify in writing to the Provider that the Provider IP has been deleted or destroyed.

(d) **Exporting Customer Data.** During the Term and up to expiration or termination of this Agreement, Customer will have the ability to export or download Customer's Data. After such expiration or termination, Provider will have no obligation to maintain or provide any of Customer's Data, and Provider will, unless prohibited by law or legal order, delete Customer's Data in the Services in accordance with Provider's then-current deletion policy without notice or liability to Customer.

(e) **Survival.** Provisions herein which by their context and content are intended to survive termination or expiration shall so survive including Sections 1, 2, 4, 5, 6, 7, 8, 10, 11, 12, and 13 survive any termination or expiration of this Agreement. No other provisions of this Agreement survive the expiration or earlier termination of this Agreement. Termination of this Agreement shall not limit either Party's liability for obligations accrued as of or prior to such termination for breach of this Agreement.

13. MISCELLANEOUS.

(a) **Entire Agreement.** This Agreement, together with any other documents incorporated herein by reference and all related schedules and exhibits, constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings, agreements, and representations and warranties, both written and oral, with respect to such subject matter. If there is a conflict between the terms of this Main Services Agreement and the terms of any of its attachments, then this Main Services Agreement will prevail unless the conflicting attachment explicitly specifies the attachment to prevail in case of such a conflict.

By placing an Order with Provider, Customer agrees that the terms and conditions of this Agreement shall apply to and govern that Order. Except with respect to product, services and pricing applicable to an Order, additional or conflicting terms in any Order shall have no force or effect on either party, unless that Order is signed in hardcopy form by each party, and then those terms shall apply to the parties solely for that Order. Except as otherwise specified herein, any additional or conflicting terms contained in any other document (including, without limitation, any preprinted, additional or conflicting terms on any Customer purchase order, or acknowledgement from either party) shall be null, void and of no effect on either party. If there is a conflict between the terms of this Agreement and the Order Form, the terms of the Order Form shall take precedence.

(b) **Notices.** All notices, requests, consents, claims, demands, waivers, and other communications hereunder (each, a "**Notice**") must be in writing and delivered by personal delivery, via a internationally recognized overnight courier (with all fees pre-paid), or (if sender and recipient are in the same country) certified or registered mail (in each case, return receipt requested, postage pre-paid). Except as otherwise provided in this Agreement, a Notice is effective only: (i) upon receipt by the receiving Party; and (ii) if the Party giving the Notice has complied with the requirements of this Section. All notices to be provided by Provider to Customer under this Agreement may be delivered in writing by electronic mail to the electronic mail address provided by Customer on the applicable Order and/or Statement of Work. All notices shall be deemed to have been given immediately upon delivery by electronic mail, or if otherwise delivered upon the earlier of receipt or two (2) business days after being deposited in the mail or with a Courier as permitted above.

(c) **Force Majeure.** In no event shall Provider be liable to Customer, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement, if and to the extent such failure or delay is caused by any circumstances beyond Provider's reasonable control, including but not limited to acts of God, flood, fire, earthquake, explosion, war, terrorism, invasion, riot or other civil unrest, epidemic or pandemic, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo. Provider shall notify Customer of such force majeure within ten (10) days after such occurrence by giving written notice to Customer stating the nature of the event, its anticipated duration, and any action being taken to avoid or minimize its effect. The suspension of performance shall be of no greater scope and no longer duration than is necessary and Provider shall use commercially reasonable efforts to remedy its inability to perform.

(d) **Amendment and Modification; Waiver.** No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof will be effective unless explicitly set forth in

writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, (i) no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof and (ii) no single or partial exercise of any right, remedy, power, or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

(e) **Severability.** If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

(f) **Limitation of Claims.** No claim or action, regardless of the form, which in any way arises out of or in connection with this Agreement may be made or brought by or on behalf of Customer or its Affiliates more than one (1) year following the earlier of (a) the expiration or sooner termination of this Agreement and (b) the date that Customer first has knowledge of the events giving rise to such claim or action.

(g) **Governing Law and Jurisdiction.** This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this agreement or its subject matter or formation (including non-contractual disputes or claims). The parties agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply in any respect to this Agreement or the parties.

(h) **Assignment.** Customer may not assign any of its rights or delegate any of its obligations hereunder, in each case whether voluntarily, involuntarily, by merger, sale of assets, operation of law or otherwise, without the prior written consent of Provider, which consent may be conditioned on Customer paying any remaining payments due hereunder in full. Any purported assignment or delegation in violation of this Section will be null and void. No assignment or delegation will relieve the assigning or delegating Party of any of its obligations hereunder. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns. In the event that Customer or its business using the Subscription Services or Licensed Software is acquired by a third party that is also a customer of Provider, Customer shall continue to pay the Fees in accordance with this Agreement and any applicable Order Form and other Service Addenda unless the Parties mutually agree in writing otherwise, even if the other customer may have more favorable terms than those offered to Customer hereunder.

(i) **Relationship of the Parties.** The Parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the Parties. Nothing herein shall prevent either Party from entering into any further agreements or business relationships, nor prevent either Party from conducting similar business with others as long as such Party observes its obligations under this Agreement.

(j) **Export Regulation.** The Services utilize software and technology that may be subject to US export control laws, including the US Export Administration Act and its associated regulations. Customer shall not, directly or indirectly, export, re-export, or release or make accessible the Licensed Software or Subscription Services from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Customer shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Licensed Software or Subscription Services or the underlying software or technology available outside the US. Customer represents, warrants and covenants that (i) Customer is not named

on any U.S. government list of persons or entities prohibited or restricted from receiving U.S. exports, or transacting with any U.S. person, (ii) Customer is not a national of, or a company registered in, any Prohibited Jurisdiction, (iii) Customer shall not permit its Users to access or use the Services in violation of any U.S. or other applicable export embargoes, prohibitions or restrictions, and (iv) Customer shall comply with all Applicable Laws regarding the transmission of technical data exported from the United States and the country in which Customer and its Users are located.

(k) **Equitable Relief.** Customer acknowledges and agrees that a breach or threatened breach of any of its obligations under this Agreement would cause Provider irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, Provider will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.

(l) **Counterparts.** This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement.

(m) **Expenses.** All costs and expenses incurred in connection with this Agreement and each other agreement, document and instrument contemplated by this Agreement and the transactions contemplated hereby and thereby shall be paid by the Party incurring such costs and expenses.

(n) **Attorneys' Fees and Costs.** In the event of a dispute arising under this Agreement, whether or not a lawsuit or other proceeding is filed, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing party is entitled shall include costs that are taxable under any applicable statute, rule, or guideline, as well as non-taxable costs, including, but not limited to, costs of investigation, copying costs, electronic discovery costs, telephone charges, mailing and delivery charges, information technology support charges, consultant and expert witness fees, travel expenses, court reporter fees, and mediator fees, regardless of whether such costs are otherwise taxable.

(o) **Publicity.** Provider may, with Customer's consent, which shall not be unreasonably withheld, conditioned or delayed, (i) issue a press release announcing the relationship between the parties within thirty (30) days after the Effective Date and (ii) use Customer's name or logo in Provider's advertising, promotion, and similar public disclosures with respect to the Services. Provider may disclose the terms of this Agreement to prospective investors and prospective acquirors of Provider's business, assets or stock solely for such purposes provided that any such investor or acquirer is subject to a written confidentiality agreement.

(p) **Non-Solicitation of Employees.** Customer agrees that, during the Term of this Agreement, and for a period of one (1) year following the Term, it will not employ, solicit for or offer employment, or enter into any contract for services with the employees, agents or representatives of Provider without Provider's prior written consent; provided, however, that the foregoing prohibition shall not preclude the hiring by Customer of any individual who responds to a general solicitation or advertisement, whether in print or electronic form, on job postings and social networking sites. In the event that any of Provider's employees, agents or representatives are employed by or enter into a contract for services (whether as an employee or a Contractor) with Customer or any Affiliate of Customer in breach of the foregoing sentence, Customer shall, upon demand, pay to Provider a sum equal to six months' basic salary or the fee that was payable by Provider to that employee, agent or representative plus the recruitment costs incurred by Provider in replacing such person by way of compensation for the cost and inconvenience incurred by Provider. The above payment shall not be in lieu of Provider's other remedies at law and in equity.

(q) Legal Provisions. The official language of this Agreement is, and all attachments or amendments to this Agreement, contract interpretations, notices and dispute resolutions shall be in English. Translations of this Agreement shall not be construed as official or original versions. No exclusive rights are granted by Provider under this Agreement. All rights or licenses not expressly granted to Customer herein are reserved to Provider, including the right to license the use of the Subscription Services and any Software to other parties. Any reference to a law or statute in this Agreement shall be deemed to include any amendment, replacement, re-enactment thereof for the time being in force and to include any by-laws, statutory instruments, rules, regulations, orders, notices, directions, consents, or permissions (together with any conditions attaching to any of the foregoing) made in respect thereof.

- 2.1.1 retain, use, disclose or otherwise Process Personal Data for any purpose (including its own commercial purposes) other than on Customer's documented instructions (as set out in this DPA and in the Agreement) unless Processing is required under applicable law and under the terms of the Standard Contractual Clauses (where applicable); or
- 2.1.2 sell Personal Data received from Customer or obtained in connection with the provision of the Services to Customer.
- 2.2 Customer on behalf of itself and each Customer Affiliate:
 - 2.2.1 instructs Provider:
 - 2.2.1 to Process Personal Data; and
 - 2.2.1.2 in particular, transfer Personal Data to any country or territory; in each case as reasonably necessary for the provision of the Services and consistent with this DPA.
- 2.3 The Data Processing Instructions sets out the subject matter and other details regarding the Processing of the Personal Data contemplated as part of the Services, including Data Subjects, categories of Personal Data, special categories of Personal Data, Sub processors and description of Processing.
- 2.4 The parties acknowledge that Customer's transfer of Personal Data to Provider is not a "sale" of Personal Data within the meaning of applicable Privacy Laws (including the CCPA) and Provider provides no monetary or other valuable consideration to Customer in exchange for the Personal Data.

3. PROVIDER PERSONNEL

Provider shall ensure that persons authorized to undertake Processing of the Personal Data have:

- 3.1 Committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality in respect of the Personal Data; and
- 3.2 Undertaken appropriate training in relation to protection of Personal Data.

4. SECURITY

- 4.2 In assessing the appropriate level of security, Provider shall take account in particular of the risks that are presented by Processing.

5. SUBPROCESSING.

- 5.1 Provider shall only appoint Sub processors which enable Provider to comply with Privacy Laws. Customer authorizes Provider to appoint Sub processors in accordance with this Section 5 subject to any restrictions or conditions expressly set out in the Agreement. Sub processors appointed as at the effective date of this DPA are listed in the Data Processing Instructions. Provider shall remain liable to Customer for the performance of Sub processors' obligations subject to the Agreement.
- 5.2 Notwithstanding any notice requirements in the Agreement, before Provider engages any new Sub processor, Provider shall give Customer notice of such appointment, including details of the Processing to be undertaken by the proposed Sub processor. Any new Sub processor shall be added to the following <https://revalizesoftware.com/legal> and notified to Customer via email. In addition

to any other notifications, Provider may provide such notice by updating the list of Sub processors in the Data Processing Instructions. Customer may notify Provider of any objections (on reasonable grounds related to Privacy Laws) to the proposed Sub processor or Data Processing Instructions ("Objection"), within 15 days of the notification from Provider of the updated Sub processor list, then Provider and Customer shall negotiate in good faith to agree to further measures including contractual or operational adjustments relevant to the appointment of the proposed Sub processor or operation of the Services to address Customer's Objection. Where such further measures cannot be agreed between the parties within forty-five (45) days from Provider's receipt of the Objection (or such greater period agreed by Customer in writing), Customer may by written notice to Provider with immediate effect terminate that part of the Services which require the use of the proposed Sub processor or another part of the Services which are so terminated.

6. DATA SUBJECT RIGHTS.

6.1 Provider shall:

- 6.1.1 Upon becoming aware, promptly notify Customer if Provider receives a request from a Data Subject relating to an actionable Data Subject right under any Privacy Law in respect of Personal Data;
- 6.1.2 Not respond to that request except on the documented instructions of Customer or as required by a Supervisory Authority or under applicable law; and
- 6.1.3 Upon request from Customer where required by Privacy Laws and in the context of the Services, reasonably assist Customer in dealing with an actionable Data Subject rights request to the extent Customer cannot fulfil this request without Provider's assistance. Provider may fulfil this request by making available functionality (at Customer's expense) that enables Customer to address such Data Subject rights request without additional Processing by Provider. To the extent such functionality is not available, in order for Provider to provide such reasonable assistance, Customer must communicate such request in writing to Provider providing sufficient information to enable Provider (at Customer's expense) to pinpoint and subsequently amend, export or delete the applicable record.

7. PERSONAL DATA BREACH.

- 7.1 Provider shall notify Customer without undue delay upon Provider or any Sub processor confirming a Personal Data Breach, providing Customer with sufficient information to allow Customer to meet any obligations to report or inform Data Subjects of the Personal Data Breach under the Privacy Laws. Subject to Section 7.3 below, such notification shall as a minimum:
 - 7.1.1 describe the nature of the Personal Data Breach, the categories and numbers of Data Subjects concerned, and the categories and numbers of Personal Data records concerned;

 - 7.1.3 describe the likely consequences of the Personal Data Breach in so far as Provider is able to ascertain having regard to the nature of the Services and the Personal Data Breach; and
 - 7.1.4 describe the measures taken or proposed to be taken to address the Personal Data Breach.

8. DATA PROTECTION IMPACT ASSESSMENT AND PRIOR CONSULTATION.

8.1 To the extent necessary, Provider shall provide reasonable assistance to Customer with any data protection impact assessments, and prior consultations with Supervising Authorities or other competent data privacy authorities, which Customer reasonably considers to be required by Privacy Laws, in each case solely in relation to Processing of Personal Data by, and taking into account the nature of the Processing and information available to, Provider. To the extent that such impact assessment and/or prior consultation requires assistance beyond Provider providing the applicable Provider processing record(s) and Documentation, Provider shall reserve the right to charge Customer such engagement at Provider's then current daily rates.

9. DELETION OR RETURN OF PERSONAL DATA.

9.1 Within thirty (30) days from termination or expiry of the Agreement (the "Return Period"), and subject to Section 9.2 below, at Customer's request, Provider will either delete or return available Personal Data. At the expiry of the Return Period, if Customer has not elected either of the foregoing Provider may delete and destroy all Personal Data without notice or liability to Customer. Where Customer requests Provider return available Personal Data, Provider may fulfil this request by making available functionality that enables Customer to retrieve the Personal Data without additional Processing by Provider. If Customer declines to use this functionality, Customer may, within the Return Period, request that Provider return the available Personal Data under an Order for the applicable professional services. In the event the Agreement is terminated for Customer's breach, Provider shall have the right to require that Customer prepay for such professional services. Provider shall provide written confirmation to Customer that it has fully complied with this Section 9 within thirty (30) days of Customer's request for such confirmation.

9.2 Provider may retain Personal Data to the extent required by Privacy Laws or any other statutory requirement to which Provider is subject and only to the extent and for such period as required by Privacy Laws or any other statutory requirement to which Provider is subject and always provided that (a) during such retention period the provisions of this DPA will continue to apply, (b) that Provider shall ensure the confidentiality of all such Personal Data, and (c) Provider shall ensure that such Personal Data is only Processed as necessary for the purpose(s) specified in the Privacy Laws requiring its storage or any other statutory requirement to which Provider is subject and for no other purpose.

10. REVIEW, AUDIT AND INSPECTION RIGHTS.

10.1 Upon Customer's reasonable request, Provider shall provide all relevant and necessary material, documentation and information in relation to Provider's technical and organizational security measures used to protect the Personal Data in relation to the Services provided in order to demonstrate compliance with Privacy Laws. Such information may be provided in summary form to minimize the risk of such measures being circumvented.

10.2 Provider shall ensure a security audit of its technical and organizational security measures is carried out at least annually in compliance with Privacy Laws. The results of such security audit will be documented in a summary report. Provider shall promptly provide Customer upon request with (i) a confidential summary of such report; and (ii) evidence of appropriate remediation of any critical issues within four (4) weeks from date of issuance of the audit report.

10.3 If, following the completion of the steps set out in Sections 10.1 and 10.2, Customer reasonably believes that Provider is non-compliant with Privacy Laws, Customer

may request that Provider make available, either by webinar or in a face-to-face review, extracts of all relevant information necessary to further demonstrate compliance with Privacy Laws. Customer undertaking such review shall give Provider reasonable notice, by contacting Provider's Information Security Director at privacy@revalizesoftware.com, and any review will be conducted under this Section 10.3.

- 10.4 In the event that Customer reasonably believes that its findings following the steps set out in Section 10.3 do not enable Customer to comply materially with Customer's obligations mandated under the Privacy Laws in relation to its appointment of Provider, then Customer may give Provider not less than thirty (30) days prior written notice of its intention, undertake an audit which may include inspections of Provider to be conducted by Customer or an auditor mandated by Customer (not being a competitor of Provider). Such audit and/or inspection shall (i) be subject to confidentiality obligations agreed between Customer (or its mandated auditor) and Provider, (ii) be undertaken solely to the extent mandated by, and may not be further restricted under applicable Privacy Laws, (iii) not require Provider to compromise the confidentiality of security aspects of its systems and/or data processing facilities (including that of its Sub processors), and (iv) not be undertaken where it would place Provider in breach of Provider's confidentiality obligations to other Provider customers vendors and/or partners generally or otherwise cause Provider to breach laws applicable to Provider. Customer (or auditor mandated by Customer) undertaking such audit or inspection shall avoid causing any damage, injury or disruption to Provider's premises, equipment, personnel and business in the course of such a review. To the extent that such audit performed in accordance with this Section 10.4 exceeds one (1) business day, Provider shall reserve the right to charge Customer for each additional day at its then current daily rates.
- 10.5 If following such an audit or inspection under Section 10.4, Customer, acting reasonably, determines that Provider is non-compliant with Privacy Laws then Customer will provide details thereof to Provider upon receipt of which Provider shall provide its response and to the extent required, a draft remediation plan for the mutual agreement of the parties (such agreement not to be unreasonably withheld or delayed; the mutually agreed plan being the "Remediation Plan"). Where the parties are unable to reach agreement on the Remediation Plan, or in the event of agreement, Provider materially fails to implement the Remediation Plan by the agreed dates which in either case is not cured within forty-five (45) days following Customer's notice or another period as mutually agreed between the Parties, Customer may terminate the Services in part or in whole which relates to the non-compliant Processing and the remaining Services shall otherwise continue unaffected by such termination.
- 10.6 The rights of Customer under this Section 10 shall only be exercised once per calendar year unless Customer reasonably believes Provider to be in material breach of its obligations under either this DPA or Privacy Laws.

11.

RESTRICTED TRANSFERS.

- 11.1 Customer and Provider, as appropriate, hereby agree that the applicable Standard Contractual Clauses shall apply in respect of any Restricted Transfer from Customer or any Customer Affiliate to Provider to the extent required by Privacy Laws. The parties agree that the provisions of the Standard Contractual Clauses shall apply to the Restricted Transfer. Where Personal Data is subject to the EU GDPR, the applicable Standard Contractual Clauses shall be the EU SCCs, and where Personal Data is subject to the UK GDPR, the applicable Standard Contractual Clauses shall be the UK Addendum. Where Personal Data is subject to Swiss Federal Data Protection Act, the provisions of the Swiss Addendum shall apply.
- 11.2 For the purposes of Annex I or other relevant part of the applicable Standard Contractual Clauses, the Data Processing Instructions sets out the Data Subjects, categories of Personal Data, special categories of Personal Data, Sub processors

and description of Processing (processing operations). Where the EU SCCs apply to transfers from the Customer or a Customer Affiliate to Provider, they will be completed as set out in Annex I. Optional clauses in the applicable Standard Contractual Clauses shall not apply unless otherwise set out in Annex I.

- 11.3 For the purposes of Annex II or other relevant part of the applicable Standard Contractual Clauses, the Information Security Schedule sets out the description of the technical and organizational security measures implemented by Provider (the data importer).
- 11.4 Wherever the applicable Standard Contractual Clauses enable a choice of law or jurisdiction, the laws and courts of Ireland shall apply, unless otherwise required under applicable Privacy Law.
- 11.5 Provider shall not make any Restricted Transfer of Personal Data that it has received under this DPA, unless it has lawful grounds to do so under applicable Privacy Laws. Such lawful grounds may include (a) an Adequacy Decision, (b) Standard Contractual Clauses, (c) the terms of other recognized forms of data transfer agreements or processes); or (d) any permitted derogation under Privacy Law.

12. OTHER PRIVACY LAWS.

- 12.1 To the extent that Processing relates to Personal Data originating from a jurisdiction or in a jurisdiction which has any mandatory requirements or introduces any such requirements in the future, in addition to those in this DPA, both Parties may agree to any additional measures required to ensure compliance with applicable Privacy Laws and any such additional measures agreed to by the Parties will be documented as an Annex to this DPA or in an Order to the Agreement.
- 12.2 The Customer further agrees that to the extent that Provider is required to enter into an appropriate transfer mechanism or additional safeguards to transfer Personal Data under applicable Privacy Laws, Provider may enter into an agreement to affect such a transfer on its own behalf, and where required on behalf of the Customer, on a named or unnamed basis.
- 12.3 Due to the fact that Provider has no control over the type, character, properties, content, and/or origin of Personal Data Processed hereunder, notwithstanding anything to the contrary herein, Provider shall not be in breach of this DPA or the Agreement or liable to Customer to the extent Personal Data subject to jurisdictional requirements mandating security, processing or other measures not set forth in, or contrary to the terms of, this DPA is provided by Customer without amending this DPA or entering into an Order addressing the same.
- 12.4 If any variation is required to this DPA as a result of a change in Privacy Laws, including any variation which is required to the Standard Contractual Clauses, then either party may provide written notice to the other party of that change in law. The parties will discuss and negotiate in good faith any necessary variations to this DPA, including the Standard Contractual Clauses, to address such changes.

13. GENERAL TERMS.

- 13.1 The parties to this DPA hereby submit to the applicable choice of governing law and jurisdiction stipulated in the Agreement with respect to any disputes or claims howsoever arising under this DPA, including disputes regarding its existence, validity or termination or the consequences of its nullity.
- 13.2 This DPA and all non-contractual or other obligations arising out of or in connection with it are governed by the laws of the country or territory stipulated for this purpose in the Agreement.
- 13.3 The applicable law provisions of this DPA are without prejudice to clauses 7 (Mediation and Jurisdiction) and 10 (Governing Law) of the Standard Contractual

Clauses where applicable to Restricted Transfers of Personal Data from the European Union (including the United Kingdom) to a third country.

14.

ORDER OF PRECEDENCE.

14.1 Nothing in this DPA reduces Provider's or any Provider Affiliate's obligations under the Agreement in relation to the protection of Personal Data or permits Provider or any Provider Affiliate to Process (or permit the Processing of) Personal Data in a manner which is prohibited by the Agreement. In the event of inconsistencies between the provisions of this DPA and (i) the Information Security Schedule, or (ii) any other agreements between the parties, including the Agreement and including (except where explicitly agreed otherwise in writing, signed on behalf of the parties) agreements entered into or purported to be entered into after the date of this DPA, the provisions of this DPA shall prevail. For the avoidance of doubt, the limitations and exclusions of liability set out in the Agreement shall also apply in respect of this DPA, to the fullest extent permitted under applicable law.

15.

SEVERANCE.

15.1 Should any provision of this DPA be invalid or unenforceable, then the remainder of this DPA shall remain valid and in force. The invalid or unenforceable provision shall be either (i) amended as necessary to ensure its validity and enforceability, while preserving the parties' intentions as closely as possible or, if this is not possible, (ii) construed in a manner as if the invalid or unenforceable part had never been contained therein.

- (b) These Clauses shall be read and interpreted in the light of the provisions of Regulation (EU) 2016/679.
- (c) These Clauses shall not be interpreted in a way that conflicts with rights and obligations provided for in Regulation (EU) 2016/679.

Clause 5

Hierarchy

In the event of a contradiction between these Clauses and the provisions of related agreements between the Parties, existing at the time these Clauses are agreed or entered into thereafter, these Clauses shall prevail.

Clause 6

Description of the transfer(s)

The details of the transfer(s), and in particular the categories of personal data that are transferred and the purpose(s) for which they are transferred, are specified in Annex I.B.

Clause 7 - Optional

Not used.

SECTION II – OBLIGATIONS OF THE PARTIES

Clause 8

Data protection safeguards

The data exporter warrants that it has used reasonable efforts to determine that the data importer is able, through the implementation of appropriate technical and organisational measures, to satisfy its obligations under these Clauses.

MODULE TWO: Transfer controller to processor

8.1 Instructions

- (a) The data importer shall process the personal data only on documented instructions from the data exporter. The data exporter may give such instructions throughout the duration of the contract.
- (b) The data importer shall immediately inform the data exporter if it is unable to follow those instructions.

8.2 Purpose limitation

The data importer shall process the personal data only for the specific purpose(s) of the transfer, as set out in Annex I.B, unless on further instructions from the data exporter.

8.3 Transparency

On request, the data exporter shall make a copy of these Clauses, including the Appendix as completed by the Parties, available to the data subject free of charge. To the extent necessary to protect business secrets or other confidential information, including the measures described in Annex II and personal data, the data exporter may redact part of the text of the Appendix to these Clauses prior to sharing a copy, but shall provide a meaningful summary where the data subject would otherwise not be able to understand the its content or exercise his/her rights. On request, the Parties shall provide the data subject with the reasons for the redactions, to the extent possible without revealing the redacted information. This Clause is without prejudice to the obligations of the data exporter under Articles 13 and 14 of Regulation (EU) 2016/679.

8.4 Accuracy

If the data importer becomes aware that the personal data it has received is inaccurate, or has become outdated, it shall inform the data exporter without undue delay. In this case, the data importer shall cooperate with the data exporter to erase or rectify the data.

8.5 Duration of processing and erasure or return of data

Processing by the data importer shall only take place for the duration specified in Annex I.B. After the end of the provision of the processing services, the data importer shall, at the choice of the data exporter, delete all personal data processed on behalf of the data exporter and certify to the data exporter that it has done so, or return to the data exporter all personal data processed on its behalf and delete existing copies. Until the data is deleted or returned, the data importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the data importer that prohibit return or deletion of the personal data, the data importer warrants that it will continue to ensure compliance with these Clauses and will only process it to the extent and for as long as required under that local law. This is without prejudice to Clause 14, in particular the requirement for the data importer under Clause 14(e) to notify the data exporter throughout the duration of the contract if it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under Clause 14(a).

8.6 Security of processing

- (a) The data importer and, during transmission, also the data exporter shall implement appropriate technical and organisational measures to ensure the security of the data, including protection against a breach of security leading to accidental or unlawful destruction, loss, alteration, unauthorised disclosure or access to that data (hereinafter "personal data breach"). In assessing the appropriate level of security, the Parties shall take due account of the state of the art, the costs of implementation, the nature, scope, context and purpose(s) of processing and the risks involved in the processing for the data subjects. The Parties shall in particular consider having recourse to encryption or pseudonymisation, including during transmission, where the purpose of processing can be fulfilled in that manner. In case of pseudonymisation, the additional information for attributing the personal data to a specific data subject shall, where possible, remain under the exclusive control of the data exporter. In complying with its obligations under this paragraph, the data importer shall at least implement the technical and organisational measures specified in Annex II. The data importer shall carry out regular checks to ensure that these measures continue to provide an appropriate level of security.
- (b) The data importer shall grant access to the personal data to members of its personnel only to the extent strictly necessary for the implementation, management and monitoring of the contract. It shall ensure that persons authorised to process the personal data have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality.
- (c) In the event of a personal data breach concerning personal data processed by the data importer under these Clauses, the data importer shall take appropriate measures to address the breach, including measures to mitigate its adverse effects. The data importer shall also notify the data exporter without undue delay after having become aware of the breach. Such notification shall contain the details of a contact point where more information can be obtained, a description of the nature of the breach (including, where possible, categories and approximate number of data subjects and personal data records

concerned), its likely consequences and the measures taken or proposed to address the breach including, where appropriate, measures to mitigate its possible adverse effects. Where, and in so far as, it is not possible to provide all information at the same time, the initial notification shall contain the information then available and further information shall, as it becomes available, subsequently be provided without undue delay.

(d) The data importer shall cooperate with and assist the data exporter to enable the data exporter to comply with its obligations under Regulation (EU) 2016/679, in particular to notify the competent supervisory authority and the affected data subjects, taking into account the nature of processing and the information available to the data importer.

8.7 Sensitive data

Where the transfer involves personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, or biometric data for the purpose of uniquely identifying a natural person, data concerning health or a person's sex life or sexual orientation, or data relating to criminal convictions and offences (hereinafter "sensitive data"), the data importer shall apply the specific restrictions and/or additional safeguards described in Annex I.B.

8.8 Onward transfers

The data importer shall only disclose the personal data to a third party on documented instructions from the data exporter. In addition, the data may only be disclosed to a third party located outside the European Union (in the same country as the data importer or in another third country, hereinafter "onward transfer") if the third party is or agrees to be bound by these Clauses, under the appropriate Module, or if:

- (i) the onward transfer is to a country benefitting from an adequacy decision pursuant to Article 45 of Regulation (EU) 2016/679 that covers the onward transfer;
- (ii) the third party otherwise ensures appropriate safeguards pursuant to Articles 46 or 47 Regulation of (EU) 2016/679 with respect to the processing in question;
- (iii) the onward transfer is necessary for the establishment, exercise or defence of legal claims in the context of specific administrative, regulatory or judicial proceedings; or
- (iv) the onward transfer is necessary in order to protect the vital interests of the data subject or of another natural person.

Any onward transfer is subject to compliance by the data importer with all the other safeguards under these Clauses, in particular purpose limitation.

8.9 Documentation and compliance

(a) The data importer shall promptly and adequately deal with enquiries from the data exporter that relate to the processing under these Clauses.

(b) The Parties shall be able to demonstrate compliance with these Clauses. In particular, the data importer shall keep appropriate documentation on the processing activities carried out on behalf of the data exporter.

(c) The data importer shall make available to the data exporter all information necessary to demonstrate compliance with the obligations set out in these Clauses and at the data exporter's request, allow for and contribute to audits of the processing activities covered by these Clauses, at reasonable intervals or if there are indications of non-compliance. In deciding on a review or audit, the data exporter may take into account relevant certifications held by the data importer.

(d) The data exporter may choose to conduct the audit by itself or mandate an independent auditor. Audits may include inspections at the premises or physical facilities of the data importer and shall, where appropriate, be carried out with reasonable notice.

(e) The Parties shall make the information referred to in paragraphs (b) and (c), including the results of any audits, available to the competent supervisory authority on request.

8.1 Instructions

- (a) The data exporter has informed the data importer that it acts as processor under the instructions of its controller(s), which the data exporter shall make available to the data importer prior to processing.
- (b) The data importer shall process the personal data only on documented instructions from the controller, as communicated to the data importer by the data exporter, and any additional documented instructions from the data exporter. Such additional instructions shall not conflict with the instructions from the controller. The controller or data exporter may give further documented instructions regarding the data processing throughout the duration of the contract.
- (c) The data importer shall immediately inform the data exporter if it is unable to follow those instructions. Where the data importer is unable to follow the instructions from the controller, the data exporter shall immediately notify the controller.
- (d) The data exporter warrants that it has imposed the same data protection obligations on the data importer as set out in the contract or other legal act under Union or Member State law between the controller and the data exporter.

8.2 Purpose limitation

The data importer shall process the personal data only for the specific purpose(s) of the transfer, as set out in Annex I.B., unless on further instructions from the controller, as communicated to the data importer by the data exporter, or from the data exporter.

8.3 Transparency

On request, the data exporter shall make a copy of these Clauses, including the Appendix as completed by the Parties, available to the data subject free of charge. To the extent necessary to protect business secrets or other confidential information, including personal data, the data exporter may redact part of the text of the Appendix prior to sharing a copy, but shall provide a meaningful summary where the data subject would otherwise not be able to understand its content or exercise his/her rights. On request, the Parties shall provide the data subject with the reasons for the redactions, to the extent possible without revealing the redacted information.

8.4 Accuracy

If the data importer becomes aware that the personal data it has received is inaccurate, or has become outdated, it shall inform the data exporter without undue delay. In this case, the data importer shall cooperate with the data exporter to rectify or erase the data.

8.5 Duration of processing and erasure or return of data

Processing by the data importer shall only take place for the duration specified in Annex I.B. After the end of the provision of the processing services, the data importer shall, at the choice of the data exporter, delete all personal data processed on behalf of the controller and certify to the data exporter that it has done so, or return to the data exporter all personal data processed on its behalf and delete existing copies. Until the data is deleted or returned, the data importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the data importer that prohibit return or deletion of the personal data, the data importer warrants that it will continue to ensure compliance with these Clauses and will only process it to the extent and for as long as required under that local law. This is without prejudice to Clause 14, in particular the requirement for the data importer under Clause 14(e) to notify the data exporter throughout the duration of the contract if it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under Clause 14(a).

8.6 Security of processing

- (a) The data importer and, during transmission, also the data exporter shall implement appropriate technical and organisational measures to ensure the security of the data, including protection against a breach of security leading to accidental or unlawful destruction, loss, alteration, unauthorised disclosure or access to that data (hereinafter "personal data breach"). In assessing the appropriate level of security, they shall take due account of the state of the art, the costs of implementation, the nature, scope, context and

purpose(s) of processing and the risks involved in the processing for the data subject. The Parties shall in particular consider having recourse to encryption or pseudonymisation, including during transmission, where the purpose of processing can be fulfilled in that manner. In case of pseudonymisation, the additional information for attributing the personal data to a specific data subject shall, where possible, remain under the exclusive control of the data exporter or the controller. In complying with its obligations under this paragraph, the data importer shall at least implement the technical and organisational measures specified in Annex II. The data importer shall carry out regular checks to ensure that these measures continue to provide an appropriate level of security.

- (b) The data importer shall grant access to the data to members of its personnel only to the extent strictly necessary for the implementation, management and monitoring of the contract. It shall ensure that persons authorised to process the personal data have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality.
- (c) In the event of a personal data breach concerning personal data processed by the data importer under these Clauses, the data importer shall take appropriate measures to address the breach, including measures to mitigate its adverse effects. The data importer shall also notify, without undue delay, the data exporter and, where appropriate and feasible, the controller after having become aware of the breach. Such notification shall contain the details of a contact point where more information can be obtained, a description of the nature of the breach (including, where possible, categories and approximate number of data subjects and personal data records concerned), its likely consequences and the measures taken or proposed to address the data breach, including measures to mitigate its possible adverse effects. Where, and in so far as, it is not possible to provide all information at the same time, the initial notification shall contain the information then available and further information shall, as it becomes available, subsequently be provided without undue delay.
- (d) The data importer shall cooperate with and assist the data exporter to enable the data exporter to comply with its obligations under Regulation (EU) 2016/679, in particular to notify its controller so that the latter may in turn notify the competent supervisory authority and the affected data subjects, taking into account the nature of processing and the information available to the data importer.

8.7 Sensitive data

Where the transfer involves personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, or biometric data for the purpose of uniquely identifying a natural person, data concerning health or a person's sex life or sexual orientation, or data relating to criminal convictions and offences (hereinafter "sensitive data"), the data importer shall apply the specific restrictions and/or additional safeguards set out in Annex I.B.

8.8 Onward transfers

The data importer shall only disclose the personal data to a third party on documented instructions from the controller, as communicated to the data importer by the data exporter. In addition, the data may only be disclosed to a third party located outside the European Union (in the same country as the data importer or in another third country, hereinafter "onward transfer") if the third party is or agrees to be bound by these Clauses, under the appropriate Module, or if:

- (i) the onward transfer is to a country benefitting from an adequacy decision pursuant to Article 45 of Regulation (EU) 2016/679 that covers the onward transfer;
- (ii) the third party otherwise ensures appropriate safeguards pursuant to Articles 46 or 47 of Regulation (EU) 2016/679;
- (iii) the onward transfer is necessary for the establishment, exercise or defence of legal claims in the context of specific administrative, regulatory or judicial proceedings; or
- (iv) the onward transfer is necessary in order to protect the vital interests of the data subject or of another natural person.

Any onward transfer is subject to compliance by the data importer with all the other safeguards under these Clauses, in particular purpose limitation.

8.9 Documentation and compliance

- (a) The data importer shall promptly and adequately deal with enquiries from the data exporter or the controller that relate to the processing under these Clauses.
- (b) The Parties shall be able to demonstrate compliance with these Clauses. In particular, the data importer shall keep appropriate documentation on the processing activities carried out on behalf of the controller.
- (c) The data importer shall make all information necessary to demonstrate compliance with the obligations set out in these Clauses available to the data exporter, which shall provide it to the controller.
- (d) The data importer shall allow for and contribute to audits by the data exporter of the processing activities covered by these Clauses, at reasonable intervals or if there are indications of non-compliance. The same shall apply where the data exporter requests an audit on instructions of the controller. In deciding on an audit, the data exporter may take into account relevant certifications held by the data importer.
- (e) Where the audit is carried out on the instructions of the controller, the data exporter shall make the results available to the controller.
- (f) The data exporter may choose to conduct the audit by itself or mandate an independent auditor. Audits may include inspections at the premises or physical facilities of the data importer and shall, where appropriate, be carried out with reasonable notice.
- (g) The Parties shall make the information referred to in paragraphs (b) and (c), including the results of any audits, available to the competent supervisory authority on request.

Clause 9

Use of sub-processors

MODULE TWO: Transfer controller to processor

- (a) The data importer has the data exporter's general authorisation for the engagement of sub-processor(s) from an agreed list. The data importer shall specifically inform the data exporter in writing of any intended changes to that list through the addition or replacement of sub-processors at least 15 days in advance, thereby giving the data exporter sufficient time to be able to object to such changes prior to the engagement of the sub-processor(s). The data importer shall provide the data exporter with the information necessary to enable the data exporter to exercise its right to object.
- (b) Where the data importer engages a sub-processor to carry out specific processing activities (on behalf of the data exporter), it shall do so by way of a written contract that provides for, in substance, the same data protection obligations as those binding the data importer under these Clauses, including in terms of third-party beneficiary rights for data subjects. The Parties agree that, by complying with this Clause, the data importer fulfils its obligations under Clause 8.8. The data importer shall ensure that the sub-processor complies with the obligations to which the data importer is subject pursuant to these Clauses.
- (c) The data importer shall provide, at the data exporter's request, a copy of such a sub-processor agreement and any subsequent amendments to the data exporter. To the extent necessary to protect business secrets or other confidential information, including personal data, the data importer may redact the text of the agreement prior to sharing a copy.
- (d) The data importer shall remain fully responsible to the data exporter for the performance of the sub-processor's obligations under its contract with the data importer. The data importer shall notify the data exporter of any failure by the sub-processor to fulfil its obligations under that contract.
- (e) The data importer shall agree a third-party beneficiary clause with the sub-processor whereby - in the event the data importer has factually disappeared, ceased to exist in law or has become insolvent - the data exporter shall have the right to terminate the sub-processor contract and to instruct the sub-processor to erase or return the personal data.

MODULE THREE: Transfer processor to processor

- (a) The data importer has the controller's general authorisation for the engagement of sub-processor(s) from an agreed list. The data importer shall specifically inform the controller in writing of any intended changes to that list through the addition or replacement of sub-processors at least 15 days in advance, thereby giving the controller sufficient time to be able to object to such changes prior to the engagement of the sub-processor(s). The data importer shall provide the controller with the information necessary to enable the controller to exercise its right to object. The data importer shall inform the data exporter of the engagement of the sub-processor(s).
- (b) Where the data importer engages a sub-processor to carry out specific processing activities (on behalf of the controller), it shall do so by way of a written contract that provides for, in substance, the same data protection obligations as those binding the data importer under these Clauses, including in terms of third-party beneficiary rights for data subjects. The Parties agree that, by complying with this Clause, the data importer fulfils its obligations under Clause 8.8. The data importer shall ensure that the sub-processor complies with the obligations to which the data importer is subject pursuant to these Clauses.
- (c) The data importer shall provide, at the data exporter's or controller's request, a copy of such a sub-processor agreement and any subsequent amendments. To the extent necessary to protect business secrets or other confidential information, including personal data, the data importer may redact the text of the agreement prior to sharing a copy.
- (d) The data importer shall remain fully responsible to the data exporter for the performance of the sub-processor's obligations under its contract with the data importer. The data importer shall notify the data exporter of any failure by the sub-processor to fulfil its obligations under that contract.
- (e) The data importer shall agree a third-party beneficiary clause with the sub-processor whereby - in the event the data importer has factually disappeared, ceased to exist in law or has become insolvent - the data exporter shall have the right to terminate the sub-processor contract and to instruct the sub-processor to erase or return the personal data.

Clause 10

Data subject rights**MODULE TWO: Transfer controller to processor**

- (a) The data importer shall promptly notify the data exporter of any request it has received from a data subject. It shall not respond to that request itself unless it has been authorised to do so by the data exporter.
- (b) The data importer shall assist the data exporter in fulfilling its obligations to respond to data subjects' requests for the exercise of their rights under Regulation (EU) 2016/679. In this regard, the Parties shall set out in Annex II the appropriate technical and organisational measures, taking into account the nature of the processing, by which the assistance shall be provided, as well as the scope and the extent of the assistance required.
- (c) In fulfilling its obligations under paragraphs (a) and (b), the data importer shall comply with the instructions from the data exporter.

MODULE THREE: Transfer processor to processor

- (a) The data importer shall promptly notify the data exporter and, where appropriate, the controller of any request it has received from a data subject, without responding to that request unless it has been authorised to do so by the controller.
- (b) The data importer shall assist, where appropriate in cooperation with the data exporter, the controller in fulfilling its obligations to respond to data subjects' requests for the exercise of their rights under Regulation (EU) 2016/679 or Regulation (EU) 2018/1725, as applicable. In this regard, the Parties shall set out in Annex II the appropriate technical and organisational measures, taking into account the nature of the processing, by which the assistance shall be provided, as well as the scope and the extent of the assistance required.

- (c) In fulfilling its obligations under paragraphs (a) and (b), the data importer shall comply with the instructions from the controller, as communicated by the data exporter.

Clause 11

Redress

- (a) The data importer shall inform data subjects in a transparent and easily accessible format, through individual notice or on its website, of a contact point authorised to handle complaints. It shall deal promptly with any complaints it receives from a data subject.

MODULE TWO: Transfer controller to processor

MODULE THREE: Transfer processor to processor

- (b) In case of a dispute between a data subject and one of the Parties as regards compliance with these Clauses, that Party shall use its best efforts to resolve the issue amicably in a timely fashion. The Parties shall keep each other informed about such disputes and, where appropriate, cooperate in resolving them.
- (c) Where the data subject invokes a third-party beneficiary right pursuant to Clause 3, the data importer shall accept the decision of the data subject to:
 - (i) lodge a complaint with the supervisory authority in the Member State of his/her habitual residence or place of work, or the competent supervisory authority pursuant to Clause 13;
 - (ii) refer the dispute to the competent courts within the meaning of Clause 18.
- (d) The Parties accept that the data subject may be represented by a not-for-profit body, organisation or association under the conditions set out in Article 80(1) of Regulation (EU) 2016/679.
- (e) The data importer shall abide by a decision that is binding under the applicable EU or Member State law.
- (f) The data importer agrees that the choice made by the data subject will not prejudice his/her substantive and procedural rights to seek remedies in accordance with applicable laws.

Clause 12

Liability

- (a) Each Party shall be liable to the other Party/ies for any damages it causes the other Party/ies by any breach of these Clauses.
- (b) The data importer shall be liable to the data subject, and the data subject shall be entitled to receive compensation, for any material or non-material damages the data importer or its sub-processor causes the data subject by breaching the third-party beneficiary rights under these Clauses.
- (c) Notwithstanding paragraph (b), the data exporter shall be liable to the data subject, and the data subject shall be entitled to receive compensation, for any material or non-material damages the data exporter or the data importer (or its sub-processor) causes the data subject by breaching the third-party beneficiary rights under these Clauses. This is without prejudice to the liability of the data exporter and, where the data exporter is a processor acting on behalf of a controller, to the liability of the controller under Regulation (EU) 2016/679 or Regulation (EU) 2018/1725, as applicable.
- (d) The Parties agree that if the data exporter is held liable under paragraph (c) for damages caused by the data importer (or its sub-processor), it shall be entitled to claim back from the data importer that part of the compensation corresponding to the data importer's responsibility for the damage.
- (e) Where more than one Party is responsible for any damage caused to the data subject as a result of a breach of these Clauses, all responsible Parties shall be jointly and severally liable and the data subject is entitled to bring an action in court against any of these Parties.
- (f) The Parties agree that if one Party is held liable under paragraph (e), it shall be entitled to claim back from the other Party/ies that part of the compensation corresponding to its / their responsibility for the damage.

(g) The data importer may not invoke the conduct of a sub-processor to avoid its own liability.

Clause 13

Supervision

(a) [Where the data exporter is established in an EU Member State:] The supervisory authority with responsibility for ensuring compliance by the data exporter with Regulation (EU) 2016/679 as regards the data transfer, as indicated in Annex I.C, shall act as competent supervisory authority.

[Where the data exporter is not established in an EU Member State, but falls within the territorial scope of application of Regulation (EU) 2016/679 in accordance with its Article 3(2) and has appointed a representative pursuant to Article 27(1) of Regulation (EU) 2016/679:] The supervisory authority of the Member State in which the representative within the meaning of Article 27(1) of Regulation (EU) 2016/679 is established, as indicated in Annex I.C, shall act as competent supervisory authority.

[Where the data exporter is not established in an EU Member State, but falls within the territorial scope of application of Regulation (EU) 2016/679 in accordance with its Article 3(2) without however having to appoint a representative pursuant to Article 27(2) of Regulation (EU) 2016/679:] The supervisory authority of one of the Member States in which the data subjects whose personal data is transferred under these Clauses in relation to the offering of goods or services to them, or whose behaviour is monitored, are located, as indicated in Annex I.C, shall act as competent supervisory authority.

(b) The data importer agrees to submit itself to the jurisdiction of and cooperate with the competent supervisory authority in any procedures aimed at ensuring compliance with these Clauses. In particular, the data importer agrees to respond to enquiries, submit to audits and comply with the measures adopted by the supervisory authority, including remedial and compensatory measures. It shall provide the supervisory authority with written confirmation that the necessary actions have been taken.

SECTION III – LOCAL LAWS AND OBLIGATIONS IN CASE OF ACCESS BY PUBLIC AUTHORITIES

Clause 14

Local laws and practices affecting compliance with the Clauses

(a) The Parties warrant that they have no reason to believe that the laws and practices in the third country of destination applicable to the processing of the personal data by the data importer, including any requirements to disclose personal data or measures authorising access by public authorities, prevent the data importer from fulfilling its obligations under these Clauses. This is based on the understanding that laws and practices that respect the essence of the fundamental rights and freedoms and do not exceed what is necessary and proportionate in a democratic society to safeguard one of the objectives listed in Article 23(1) of Regulation (EU) 2016/679, are not in contradiction with these Clauses.

(b) The Parties declare that in providing the warranty in paragraph (a), they have taken due account in particular of the following elements:

- (i) the specific circumstances of the transfer, including the length of the processing chain, the number of actors involved and the transmission channels used; intended onward transfers; the type of recipient; the purpose of processing; the categories and format of the transferred personal data; the economic sector in which the transfer occurs; the storage location of the data transferred;
- (ii) the laws and practices of the third country of destination – including those requiring the disclosure of data to public authorities or authorising access by such authorities – relevant in light of the specific circumstances of the transfer, and the applicable limitations and safeguards;
- (iii) any relevant contractual, technical or organisational safeguards put in place to supplement the safeguards under these Clauses, including measures applied during transmission and to the processing of the personal data in the country of destination.

- (c) The data importer warrants that, in carrying out the assessment under paragraph (b), it has made its best efforts to provide the data exporter with relevant information and agrees that it will continue to cooperate with the data exporter in ensuring compliance with these Clauses.
- (d) The Parties agree to document the assessment under paragraph (b) and make it available to the competent supervisory authority on request.
- (e) The data importer agrees to notify the data exporter promptly if, after having agreed to these Clauses and for the duration of the contract, it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under paragraph (a), including following a change in the laws of the third country or a measure (such as a disclosure request) indicating an application of such laws in practice that is not in line with the requirements in paragraph (a). [For Module 3: The data exporter shall forward the notification to the controller.]
- (f) Following a notification pursuant to paragraph (e), or if the data exporter otherwise has reason to believe that the data importer can no longer fulfil its obligations under these Clauses, the data exporter shall promptly identify appropriate measures (e.g. technical or organisational measures to ensure security and confidentiality) to be adopted by the data exporter and/or data importer to address the situation [for Module 3: if appropriate in consultation with the controller]. The data exporter shall suspend the data transfer if it considers that no appropriate safeguards for such transfer can be ensured, or if instructed by [For Module 3: the controller or] the competent supervisory authority to do so. In this case, the data exporter shall be entitled to terminate the contract, insofar as it concerns the processing of personal data under these Clauses. If the contract involves more than two Parties, the data exporter may exercise this right to termination only with respect to the relevant Party, unless the Parties have agreed otherwise. Where the contract is terminated pursuant to this Clause, Clause 16(d) and (e) shall apply.

Clause 15

Obligations of the data importer in case of access by public authorities

15.1 Notification

- (a) The data importer agrees to notify the data exporter and, where possible, the data subject promptly (if necessary with the help of the data exporter) if it:
 - (i) receives a legally binding request from a public authority, including judicial authorities, under the laws of the country of destination for the disclosure of personal data transferred pursuant to these Clauses; such notification shall include information about the personal data requested, the requesting authority, the legal basis for the request and the response provided; or
 - (ii) becomes aware of any direct access by public authorities to personal data transferred pursuant to these Clauses in accordance with the laws of the country of destination; such notification shall include all information available to the importer.

The data exporter shall forward the notification to the controller.

- (b) If the data importer is prohibited from notifying the data exporter and/or the data subject under the laws of the country of destination, the data importer agrees to use its best efforts to obtain a waiver of the prohibition, with a view to communicating as much information as possible, as soon as possible. The data importer agrees to document its best efforts in order to be able to demonstrate them on request of the data exporter.
- (c) Where permissible under the laws of the country of destination, the data importer agrees to provide the data exporter, at regular intervals for the duration of the contract, with as much relevant information as possible on the requests received (in particular, number of requests, type of data requested, requesting authority/ies, whether requests have been challenged and the outcome of such challenges, etc.). [For Module 3: The data exporter shall forward the information to the controller.]
- (d) The data importer agrees to preserve the information pursuant to paragraphs (a) to (c) for the duration of the contract and make it available to the competent supervisory authority on request.

(e) Paragraphs (a) to (c) are without prejudice to the obligation of the data importer pursuant to Clause 14(e) and Clause 16 to inform the data exporter promptly where it is unable to comply with these Clauses.

15.2 Review of legality and data minimisation

(a) The data importer agrees to review the legality of the request for disclosure, in particular whether it remains within the powers granted to the requesting public authority, and to challenge the request if, after careful assessment, it concludes that there are reasonable grounds to consider that the request is unlawful under the laws of the country of destination, applicable obligations under international law and principles of international comity. The data importer shall, under the same conditions, pursue possibilities of appeal. When challenging a request, the data importer shall seek interim measures with a view to suspending the effects of the request until the competent judicial authority has decided on its merits. It shall not disclose the personal data requested until required to do so under the applicable procedural rules. These requirements are without prejudice to the obligations of the data importer under Clause 14(e).

(b) The data importer agrees to document its legal assessment and any challenge to the request for disclosure and, to the extent permissible under the laws of the country of destination, make the documentation available to the data exporter. It shall also make it available to the competent supervisory authority on request. [For Module Three: The data exporter shall make the assessment available to the controller.]

(c) The data importer agrees to provide the minimum amount of information permissible when responding to a request for disclosure, based on a reasonable interpretation of the request.

SECTION IV – FINAL PROVISIONS

Clause 16

Non-compliance with the Clauses and termination

(a) The data importer shall promptly inform the data exporter if it is unable to comply with these Clauses, for whatever reason.

(b) In the event that the data importer is in breach of these Clauses or unable to comply with these Clauses, the data exporter shall suspend the transfer of personal data to the data importer until compliance is again ensured or the contract is terminated. This is without prejudice to Clause 14(f).

(c) The data exporter shall be entitled to terminate the contract, insofar as it concerns the processing of personal data under these Clauses, where:

- (i) the data exporter has suspended the transfer of personal data to the data importer pursuant to paragraph (b) and compliance with these Clauses is not restored within a reasonable time and in any event within one month of suspension;
- (ii) the data importer is in substantial or persistent breach of these Clauses; or
- (iii) the data importer fails to comply with a binding decision of a competent court or supervisory authority regarding its obligations under these Clauses.

In these cases, it shall inform the competent supervisory authority [For Module 3: and the controller] of such non-compliance. Where the contract involves more than two Parties, the data exporter may exercise this right to termination only with respect to the relevant Party, unless the Parties have agreed otherwise.

(d) Personal data that has been transferred prior to the termination of the contract pursuant to paragraph (c) shall at the choice of the data exporter immediately be returned to the data exporter or deleted in its entirety. The same shall apply to any copies of the data. The data importer shall certify the deletion of the data to the data exporter. Until the data is deleted or returned, the data importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the data importer that prohibit the return or deletion of the transferred personal data, the data importer warrants that it will continue to ensure compliance with these Clauses and will only process the data to the extent and for as long as required under that local law.

(e) Either Party may revoke its agreement to be bound by these Clauses where (i) the European Commission adopts a decision pursuant to Article 45(3) of Regulation (EU) 2016/679 that covers the transfer of personal data to which these Clauses apply; or (ii) Regulation (EU) 2016/679 becomes part of the legal framework of the country to which the personal data is transferred. This is without prejudice to other obligations applying to the processing in question under Regulation (EU) 2016/679.

Clause 17

Governing law

These Clauses shall be governed by the law of one of the EU Member States, provided such law allows for third-party beneficiary rights. The Parties agree that this shall be the law of Ireland.

Clause 18

Choice of forum and jurisdiction

(a) Any dispute arising from these Clauses shall be resolved by the courts of an EU Member State.

(b) The Parties agree that those shall be the courts of Ireland.

(c) A data subject may also bring legal proceedings against the data exporter and/or data importer before the courts of the Member State in which he/she has his/her habitual residence.

(d) The Parties agree to submit themselves to the jurisdiction of such courts.

ANNEX I

TECHNICAL AND ORGANISATIONAL MEASURES INCLUDING TECHNICAL AND ORGANISATIONAL MEASURES TO ENSURE THE SECURITY OF THE DATA

PART 1 – TECHNICAL MEASURES TO ENSURE SECURITY OF PROCESSING

Technical Measures to Ensure Security of Processing	Description
1. Inventory and Control of Hardware Assets	Actively manage all hardware devices on the network so that only authorised devices are given access, and unauthorised and unmanaged devices are found and prevented from gaining access.
2. Inventory and Control of Software Assets	Actively manage all software on the network so that only authorised software is installed and can execute, and that unauthorised and unmanaged software is found and prevented from installation or execution.
3. Continuous Vulnerability Management	Continuously acquire, assess, and take action on new information in order to identify vulnerabilities, remediate, and minimize the window of opportunity for attackers.
4. Controlled Use of Administrative Privileges	Maintain processes and tools to track, control, prevent, and correct the use, assignment, and configuration of administrative privileges on computers, networks, applications, and data.
5. Secure Configuration for Hardware and Software on Mobile Devices, Laptops, Workstations, and Servers	Implement and manage the security configuration of mobile devices, laptops, servers, and workstations using a configuration management and change control process in order to prevent attackers from exploiting vulnerable services and settings.
6. Maintenance, Monitoring, and Analysis of Audit Logs	Collect, manage, and analyse audit and security logs of events that could help detect, understand, or recover from a possible attack.

7. Email and Web Browser Protections	<p>Deploy automated controls to minimise the attack surface and the opportunities for attackers to manipulate human behaviour through their interaction with web browsers and email systems or content.</p>
8. Malware Defenses	<p>Control the installation, spread, and execution of malicious code at multiple points in the enterprise, while optimising the use of automation to enable rapid updating of defense, data gathering, and corrective action.</p>
9. Limitation and Control of Network Ports, Protocols, and Services	<p>Manage (track, control, correct) the ongoing operational use of ports, protocols, services, and applications on networked devices in order to minimise windows of vulnerability and exposure available to attackers.</p>
10. Data Recovery Capabilities	<p>Maintain processes and tools to properly back up personal data with a proven methodology to ensure the confidentiality, integrity, availability, and recoverability of that data.</p>
11. Secure Configuration for Network Devices, such as Firewalls, Routers, and Switches	<p>Implement and manage the security configuration of network infrastructure devices using a configuration management and change control process in order to prevent attackers from exploiting vulnerable services and settings.</p>
12. Boundary Defenses	<p>Detect, prevent, and correct the flow of information transferring networks of different trust levels with a focus on personal data.</p>
13. Data Protection	<p>Maintain processes and tools used to prevent data exfiltration, mitigate the effects of exfiltrated data, and ensure the confidentiality and integrity of personal data.</p>
14. Controlled Access Based on the Need to Know	<p>Maintain processes and tools to track, control, prevent, and correct secure access to critical or controlled assets (e.g. information, resources, systems) according to the formal determination of which persons, computers, and applications have a need and right to access these critical or controlled assets based on an approved classification.</p>
15. Wireless Access Control	<p>Maintain processes and tools to track, control, prevent, and correct the secure use of wireless local area</p>

	networks (WLANS), access points, and wireless client systems.
16. Account Monitoring and Control	Actively manage the life cycle of system and application accounts, their creation, use, dormancy, and deletion in order to minimise opportunities for unauthorised, inappropriate, or nefarious use.

PART 2 – SUPPLEMENTARY MEASURES

1. Implement a Comprehensive Information Security Programme	Through the implementation of a Comprehensive Information Security Programme (CISP), maintain various administrative safeguards to protect personal data. These measures are designed to ensure: security, confidentiality and integrity of personal data protection against unauthorized access to or use of (stored) personal data in a manner that creates a substantial risk of identity theft or fraud that employees, contractors, consultants, temporaries, and other workers who have access to personal data only process such data on instructions from the data controller.
2. Implement a Security Awareness and Training Programme	For all functional roles (prioritizing those mission critical to the business, its security, and the protection of personal data), identify the specific knowledge, skills and abilities needed to support the protection and defense of personal data; develop and execute an integrated plan to assess, identify gaps, and remediate through policy, organisational planning, training, and awareness programmes.
3. Application Software Security	Manage the security life cycle of all in-house developed and acquired software in order to prevent, detect, and correct security weaknesses.
4. Incident Response and Management	Protect the organisation's information, including personal data, as well as its reputation, by developing and implementing an incident response infrastructure (e.g., plans, defined roles, training, communications, management oversight, retainers, and insurance) for quickly discovering an attack and then effectively containing the damage, eradicating the attacker's presence, and restoring the integrity of the organisation's network and systems.

5. Security and Privacy Assessments, Penetration Tests, and Red Team Exercises	Test the overall strength of the organisation's defense (the technology, processes, and people) by simulating the objectives and actions of an attacker; as well as, assess and validate the controls, policies, and procedures of the organisation's privacy and personal data protections.
6. Physical Security and Entry Control	Require that all facilities meet the highest level of data protection standards possible, and reasonable, under the circumstances relevant to the facility and the data it contains, process, or transmits.

Entering into this Addendum will have the same effect as signing the Approved EU SCCs and any part of the Approved EU SCCs.

Interpretation of this Addendum

4. Where this Addendum uses terms that are defined in the Approved EU SCCs, those terms shall have the same meaning as in the Approved EU SCCs. In addition, the following terms have the following meanings:
