

REVALIZE UNIVERSITY COURSE CATALOG

Product: PLAN-IT
Year 2025

Project and Replace Training

*Each quarter, the Revalize Training Team hosts a series of live, instructor-led courses that provide an overview of the key features and tools within the PLAN-IT application. This Project Training Series will prepare users to manage projects successfully and efficiently!**

*Want to be certified in PLAN-IT? We also offer certification for those that demonstrate a mastery of knowledge of the PLAN-IT application. Contact us to find out more!**

**Prices are as of January 1, 2025.*

**Please contact us on [our portal](#) to apply for the certification program and to inquire for other combined training packages and quotations, including private group and on-site training.*

PLAN-IT | PROJECT CERTIFICATION PROGRAM

To receive a certification, you will have to demonstrate a mastery of knowledge of all the features and tools within the PLAN-IT application. The Plan-It Certification Course Exam will confirm your understanding of the topics covered in the Project Training series, including but not limited to catalog searching, project building, room and item management, template management, budgeting, reporting, and procurement activities. *Although it is highly recommended that users attend training, it is not a requirement for certification.*

To receive certification, you must score an 80% or higher and have an active license at the time of completion.

If you have any questions or concerns, please feel free to reach out to the training team on [our portal](#).
